## PROJECT DESCRIPTION

## PROJECT GOALS

**ENERGY EFFICIENCY** or sustainable features

**NOTABLE DETAILS** Extraordinary craftsmanship or design

**LESSONS** What can other builders and designers learn from this project?

**PHOTOGRAPHS**

Attach at least five photos of your project. Include interior and exterior views that best capture the essence of the house. If your project is a remodel, please include at least one "before" photo that illustrates the changes. Photos should be lo-res JPG files. File names should include the name of the project.

**FLOOR PLANS**

Attach basic floor plans for each level of the home. If your project is a remodel, please include a "before" plan as well.
